

The graphic has a black background. At the top, there are several interlocking gears in red, green, and yellow. In the center, a glowing yellow lightbulb with radiating lines is positioned between two white silhouettes of human heads facing each other. The text 'DESIGN THINKING ESSENTIALS:' is written in large, white, bold, uppercase letters across the middle.

DESIGN THINKING ESSENTIALS:

A HUMAN-CENTERED APPROACH TO INNOVATION

Experience a transformative day of innovation with Dr. Rupananda Misra! Dive into the world of design thinking, where you'll learn practical principles, unleash your creativity, and collaborate to bring your ideas to life. By the end of the day, you'll walk away with a prototype and a fresh perspective on problem-solving. Don't miss this hands-on opportunity to think, create, and innovate, and **earn a certificate in design thinking.**
